Re: SCP-Carlstadt

Dear Ms. Lange:

Enclosed for your information are copies of the Progress Reports for the months of July, August, and September, 1988, for the SCP-Carlstadt RI/FS. These Progress Reports were submitted to EPA by Dames & Moore on behalf of the PRPs for this site.

Also enclosed is a copy of the October 4, 1988 proposal from Dames & Moore regarding additional work for the FS. As you may recall, EPA and NJDEP requested this proposal at our meeting on September 20, 1988. You will notice that the October 4th proposal does not include any studies beyond those discussed at our meeting, nor does it include a proposal for a groundwater treatability study.

If you have any questions, please feel free to call me at (212) 264-0613, or Jim Schmidtberger at (212) 264-6479.

Sincerely yours,

Janet Feldstein, Project Manager
